DETAILED ACTION

Allowable Subject Matter

Claims 1-19 are allowed.

The following is an examiner's statement of reasons for allowance: Prior art does not teach in combination with the other limitation of the independent claims a piston at least partially disposed in cavity wherein said piston reciprocates along said central axis, said piston including a first piston portion and a second piston portion, said first piston portion having a cross sectional configuration and area substantially similar to first cavity portion configuration and area, said second piston portion having a radially outer surface at least partially engageable with said second cavity sidewall, said second cavity portion being continuously vented during reciprocation of said piston, and wherein, during reciprocation of said piston within said cavity, said first piston portion compresses a fluid in said first cavity portion and forces transverse to said central axis are transferable between said radially outer surface of said second piston portion and said second cavity sidewall.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vikansha S. Dwivedi whose telephone number is 571-272-7834. The examiner can normally be reached on M-F, 8-4.
